6. An omission from minutes: The Parish Council had received a letter from Iwade School advising them of a federation of Bobbing Community Primary School and Iwade Community Primary School all under the same head, Mrs K Ware. The Parish Council had no objections to this federation.

The minutes of the Monthly Parish Council meeting of 13<sup>th</sup> February 2007 were signed as a true and accurate report. This was seconded by Cllr Brian Groves

## 3. Matters Arising from the minutes

### 3.1 Land North of the Church

Papers are still with Swale Borough Council, but should be distributed by the end of March, for the Parish Council consideration.

### 3.2 Phase 5, Grovehurst Development – removal of hedge

Parish Council had received complaints from residents regarding the removal of the hedge along the Grovehurst Road, Iwade. Iwade Parish Council were unaware

that this hedge was to be removed in this manner and were not satisfied after inspection of the replacement whips which would take many years to mature into a recognizable replacement hedge.

New hedge has been planted and Swale Borough Council Planning has written to Ward Homes expressing concerns that the removal of the hedge had been done without further contact with Swale Borough Council

Parish Council is also concerned about the trees which have been left that are being strangled by ivy. Clerk advised to speak to Ward Homes via Swale Borough Council asking them to remove the ivy and make the trees safe. If response is negative then Iwade Parish Council will pay for a tree surgeon to deal with the ivy problem.

### **Parish Clerk to action**

#### **4. Planning**

**SW/07/0118 AJJ                      Case: 02712**

**Proposal:    Change of use of vacant land to form extension to existing scaffolding yard with portable office and store at The Old Gun site, Marshbank Far, Old Ferry Road**

It was reported by an Iwade resident that Borough Councilor Ben Stokes was also dealing with this application. The Parish Council objected to this planning application due to the unnecessary industrial development in the countryside and also the disturbance it would cause to neighboring residents.

**SW/07/0217 JRW                      Case 13724**

**Proposal: continued use of existing farm shop/stall for sale of home grown produce and up to 20% bought in produce, on a temporary basis for 12 months**

Iwade Parish Council objected to this application as it was originally for a chicken farm and the temporary home was to look after the fowl. Once again this area was receiving unnecessary commercial development in the countryside.

#### **5 Business of the Council**

##### **5.1 Iwade Community Primary School fence**

Parish Council received a number of complaints from residents about the condition of the chestnut boundary fence alongside Meadow Close which was continuously being broken down by vandals. Young children were seen running out into a busy trafficked road. Clerk to obtain quote for new fencing after speaking to school and if school is in agreement, under section 137 of the Local Government Act will purchase and install a metal fence for the school. Clerk to advise Laurence Young in order to obtain a subsidiarity grant for this proposal.

This was proposed by the Chairman Peter Wilks and seconded by Cllr John White, all Parish Councilors present were in agreement

**Parish Clerk to action**

## **5.2 KAPC Update**

Cllr Brian Groves reported to Iwade Parish Council that Mr Haratbar asked to attend the KAPC meeting so that he could update members on what is happening in Kent Highways. Several members of local Parish Councils raised local issues with Mr Haratbar, who urged members to report problems to the liaison officer.

## **5.3 Village Hall**

The Chairman and Cllr Older attended a meeting of the Village Hall Management Committee on the 7<sup>th</sup> March to obtain information on the proposed increase in hire charges to village clubs and voluntary groups.

**Charges.** The charges to local clubs and groups has been £5 per session for the use of the Hall. From April 1<sup>st</sup> the charge will be £12 per session.

**Air Conditioning** The Management Committee has received an estimate for fitting air conditioning equipment and will be deciding whether to proceed with installation at their next meeting.

**Section 106 payments to the Village hall.** In a report to the January Parish Council Meeting the Chairman advised Members that the Village Hall had received £257,000 from Developers for repairs. This figure is incorrect and the Chairman apologised for this mistake. The figure should read £134,600 total when the final balance is received.

The Council resolved that the Parish Council will pay the Village Hall hire charges for non profit organisations such as Beavers/Cubs, Iwade WI, Iwade Parent and Toddlers.

Clerk to contact the Village Hall Committee requesting invoices for these organisations.
