SANTA AND REINDEER IN IWADE

With Christmas looming ever closer, don't forget about going back to the good old traditional Christmas Tree. You must go up

to the Featherbed Nursery and see their selection of trees and watch out for Santa's sleigh and the life size reindeer hiding in the trees. Just walking through the

nursery gives you a Christmassy feeling, and wait for it there is an added bonus for every tree you buy you will be entered into the luxury hamper raffle and there are two luxury raffles to be won, all include nice quality food, not a tin of span in sight!!!!

Also if you are lucky you might see Santa himself walking around, so go up there and get your tree and make a couple of hours fun for you and the family, as you can also feed the animals and play in the play area. What more do you need!!!! Ho Ho Ho Merry Christmas

Carols by Candlelight

As stated in the last issue of the Iwade Village News, this event is so popular that it is back by demand, and because of the demand, this year we are having two services, one at 3.30pm for children and residents who do not like going out after dark and the second at 6.00pm. Both services are exactly the same. Due to Health and Safety within the Church, if we burn the vicar this year, we need to get the fire brigade in!!! It is ticket only. The tickets are absolutely free and all you have to do is contact Sylvia on 478103, Maria on 477133, Wynn on 424502, Lynda on 476274 or Connie on 471932, or anytime the church is open.

All the popular carols will be sung and it is hoped again that the children (and adults if they wish) dress up in their Christmas costumes for this service to add to the atmosphere. We want to see a lot of jingle bells, shepherds, Christmas Trees, Rudolphs amongst the crowd.

If the children wish to bring musical instruments such as bells etc, please feel free to do so as we want to make as much noise as possible. So do not miss out and get your tickets for either service

Family Crib Service

Don't forget the best kept secret within the village is the Family

Crib service on Sunday 23rd December at 10.30am. This is always a great hit with the children who are jostling and queuing up to the put little figures back in the crib. If it is anything like last year, there will only be standing room in

the crib, due to the amount of little people and animals going it.

If you are not a regular church goer, don't worry, but this is one service you can not afford to miss.

From the Editor of the Iwade Village Newsletter

I would like to thank everyone who helps in delivering the Newsletter, Anthony who prints the paper and everyone who contributes the regular

articles about what's going on in the village. Without the help of all these people the newsletter would not be possible.

To everyone in the village a Merry Christmas and a Happy New Year, and hopefully a lot more village news for 2008

Hello, Yes I am still here, and looking forward to Christmas and New Year

I know you will all be busy buying your presents, and with this in mind I would like to tell you about Kent County Council's Trading Standards Service has launched a 'Buy with Confidence' good trader scheme.

The scheme provides consumers with a list of reliable local businesses that have proved their commitment to trading fairly. Approved businesses have undergone an audit carried out by a Trading Standards Officers and passed a Series of detailed checks

before being approved, as a member of the scheme. Full details of the scheme can be viewed at: www.buywithconfidence.info or call Consumer Direct on 08454 040506.

Also, as the Christmas season approaches it is more important than ever, to take care when opening the door to unexpected callers **DO NOT OPEN THE DOOR TO ANYONE UNTIL YOU HAVE CHECKED THEIR IDENTITY. REMEMBER TO PUT THE DOOR CHAIN ON. CHECK ALL OTHER DOORS ARE LOCKED.**

ONCE YOU ARE SATISFIED THE CALLER IS LEGITIMATE AND YOU ARE COMFORTABLE ALLOWING THEM INTO YOUR HOME. DO NOT LEAVE THEM ON THEIR OWN. DO NOT LEAVE HANDBAGS, WALLETS, PURSES etc. ON SHOW.

Callers use various guises from gas men, electricity meter readers, council employees and on rare occasions Neighbourhood Watch members. If anyone does call, and you are suspicious, call the police immediately on 999.

Tinkerbells Early Years

We have had a fantastic autumn term, This year we did a Harvest assembly and all the parents and friends were invited along, there were a few songs sang such as the Dingle Dangle scarecrow, Hey Diddle Diddle, Twinkle Twinkle chocolate car, the children and some staff dressed up for the occasion and a picture was put in the local paper, tea, coffee and cake was offered at a small price afterwards and we raised £19 towards our fund pot. Everyone seemed to enjoy the afternoon. Five

delicious hampers were made up and these were presented to long standing members of the community, they were very surprised and sent thanks back to everyone who made this afternoon a great success.

We also did a sponsored obstacle race on the 15th Nov, half of the money raised went to children in need and the other half to Tinkerbells, (total not yet available at time of press) it was a fun afternoon, parents joined in with the children and afterwards we all had some refreshment of tea and cake, it gave everyone the opportunity to have a chat, meet other parents and spend some time

with the children while hopefully having some fun. I would like to thank everyone who has supported us through the year and offered help on such occasions. Next one looming is the Christmas Nativity! And of course our visit from Santa!

We are still collecting old mobile phones, we only need 10 more to complete our next collection, they do not need chargers, sim cards and don't even have to be in working order, please hunt through your cupboards and drawers, we are happy to collect or you could pop in to the village hall. Thank you.

With Christmas coming keep an eye on iwadevillage.co.uk What's On Calendar for festive events around the village. There'll even be a post-it reminder at the top of the home page so you're doubly sure not to miss out on all the festivities including the incredibly popular Carols by Candlelight (get there early if last year's anything to go by!).

If you go to the What's On Calendar you'll notice a new section 'What's Been On' - this will have a write-up of village events so even if you didn't manage to get there yourself you can read all about it. There's even a new What's On Gallery for images of what's been happening in the village.

We're incredibly lucky to have such a strong and growing community spirit in Iwade so this Christmas should be even better than the last!

Happy Christmas

Message from our Village Police Officer

Hello Everyone, Firstly I would like to remind everyone of the contact details for me is email 56679@kent.pnn.police.uk and my office number 01795419119

I would like to remind everyone as A FINAL WARNING....it is an offence to park on the pavement unnecessarily, it is an offence to park within 10 metres of a junction and it is an offence to cause an

unnecessary obstruction in a high demand area.

Please do not park around the school unless absolutely necessary - Please use one of the side streets or the woolpack pub (kindly offered by the managers).

I now feel I have offered enough warnings and will now be sending immediate tickets or a letter of summons to court as I feel the welfare of the children are at risk.

Another reminder the car park at the side of the school is a private car park, any persons caught parked in this area may face being prosecuted by the residents of the apartments and shops.

Please be extra vigilant to cold

callers with Christmas around the corner. If you live alone please be careful who you open the door to all genuine sellers will have I.D - don't be afraid to ask for it and check up on them. if you have doubts please call the police.

We would like to thank all who have been helping us with our enquiries regarding graffiti and vandalism in the area especially the parks. Although the Police have managed to I.D the majority of those responsible if you do have any further information please contact me; this can be done anonymously

Lastly Have a Happy and Safe Christmas and New Year. Remember you may not see me but I am around watching!!!!!!

6 Churches Challenge

A somewhat hair-brained scheme that there should be a walk to link the six churches in our cluster became a reality on the last Saturday in October.

The walk started from Upchurch at 9am with a group of 15 enthusiasts. We were soon joined by another five of the Burch family, and friend Christ, well renowned for their consistency in relaxed time keeping! At our first stop, Lower Halstow, we gained another three recruits, one of who, non other than our own

Rev Ron Partridge, had slept too soundly arriving at Upchurch half an hour after the rest of us had set off. After early refreshments and distribution of badges (one badge for each church visited) we continued on our way along the Saxon Shore Way, through fields, orchards and farmland, to Iwade. We really did feel blessed to be walking under the ever increasing amounts of blue sky after two or three days of grey, miserable yuk!

At Iwade Tony and Lynda MacGowan, kindly allowed us to use their facilities before we enjoyed yet more refreshments, ably served by Sylvia, at Iwade Church. Twenty of us trekked on towards Newington, passing warily by two snarling Rottweilers, thankfully caged, on the way. By now it was lunchtime and much effort had been made to put on a good spread, served to us by Pam, at Newington Church.

Eight miles had been covered,

which was nearly half the total distance. Many people here, and one dog, deciding that an afternoon siesta in the sunshine might be a better idea than another eight or nine miles of walking, retired from the challenge. We were left with two new recruits, Roger and Irene Milton, and a further seven intrepid survivors intent on reaching the ultimate goal. The section to Stockbury was all uphill and took its toll on feet, legs and mental strength. Irene and Roger welcome us into their home in Stockbury before we embarked on the mostly downhill stretch to Hartlip.

There was audible moaning when the leader decided on an alternative, more scenic route, into Hartlip which appeared, for a time, to be not only uphill but to take the walkers in the opposite direction before their next destination, Hartlip church. Eventually we got there and were treated to yet more timely and most welcome hospitality. Roger and Irene left us here, one

with more of a hobble gait than had been shown at the start, and other with a muddier, less sparkling, shade of pink boot, leaving a 'magnificent' seven to complete the task. And so to the last lap, back to Upchurch, done at a canter, arriving back at the church just nine hours after we had left. Certificates and the prized 6 churches badges were gleefully received and then were handshakes hugs and kiss all around before we all retired to our homes, to nurse aching limbs and muscles. The one late rising Reverend still had to walk back to Lower Halstow but he assures us he did it to successfully complete the challenge as well,

This walk may become an annual event so, if you are at all interested, watch out for details about the next one. Thanks to all who took part and special thanks to those who opened up churches to make the day even more enjoyable

We will be organising carols at the Seed of Hope so look out for more information it will be a Monday night around 6.00pm the more that come the merrier. It's always a laugh trying to split the group to sing the 12 days of Christmas.

Beavers & Cubs

Our Halloween party was a hit with all the Beavers/Cubs enjoying a bit of bobbing apple, pin the Spider on the Webb, making fireworks, bite the hanging donut, balloon monster and so much more. Well done to Harry and Hannah for winning the fancy dress competition. A good time was had by all. Messages from...

Notice from Iwade Parish Council

The Chairman and Parish Council would like to wish everyone in the village of Iwade a very Merry Christmas and a good New Year. The Parish Council wishes to thank everyone for their support and commitment to the village and look forward to working with everyone in 2008 to make Iwade an even better place to live. The next Parish Council meeting will be held on Tuesday 7th January 2007 at 7.30pm in the Village Hall.

Additional Letter Boxes in the Village

The Post Office is awaiting confirmation from KCC Highway. Clerk to chase KCC for this confirmation as it was the Parish Councils views that this had already been done. .

Traffic Gate Entrance by Medical Centre

Clerk still chasing KCC about replacement gate. The Parish Council feels that waiting 5 months for a replacement gate is not acceptable

Ivy on Grovehurst Oak Tree

Due to the ivy removal from the large oak tree it was agreed that the two smaller trees would also have ivy removal work done. Clerk advised Village Handyman to remove ivy from

the two smaller trees which are situated at the entrance of Cormorant Road

Vandalism in School Lane Playing Field

Clerk advised members that the work had been completed and the total cost to repair the roundabout was £1,193.12. and to replace the damaged wetpour totalled £1,000

Speed Watch in the Village

Community Police Officer Lindsay Woods advise the Parish Council that she had spoken to Warren Jarvis who deals with criminal damage, speeding vehicles, off road bikes etc and he was looking to set up projects around Kent but need the community to be involved.

It requires a minimum of 6 volunteers to assist and a fund of £2,000, then the community is set up with tripods which read vehicle number plates etc, the

computer then reads the speed. The aim of this project is to have more number plates and camera pictures of these offenders.

After a general discussion it was agreed that the Clerk would speak to PC Woods and obtain more information.

Land North of the Church

Deed of Agreement has been circulated to Councilors for the section 106. It was felt that Clerk would request additional information from Wards Solicitors and an extra ordinary meeting would be arranged to discuss this application.

Barn Refurbishment

Cllr Lisa Older gave a report and advised Councilors that building contractors had been contacted to give an estimate to possible costing for the Barn. Clerk to meet with Contractors and to go through specification listing.

The Churchwardens

Have you remembered and obtained your tickets yet for the Candlelit Carol Service on Christmas Eve??? As we said last month, admission this year is by ticket ONLY; strictly no ticket no entry. Iwade's little church has seating for around 100 and last year well over 150 people tried

to push way in for the service. FAR TOO MANY. To ease the situation, as explained in last newsletter, this year there will be TWO SERVICES on Christmas Eve - 1 at 3.30pm and one at 6.00pm. Both will last about an hour and be identical in content. Tickets are quite free and may be obtained from one of the following - Sylvia - 478103, Maria - 477133, Wynn - 424502, Lynda - 476274 or Connie Kilby - 471932. Sylvia will have some too when the church will be

open for visiting on 8th December 10am - 2pm.

On Sunday 23rd December the Crib service with carols will be at 10.30am when it is hoped the children will bring their parents to see them putting the 'holy figures' in the stable.

Do please come and start Christmas in the best possible way, by remembering just what we are celebrating.

Hope this reaches you in time to remind you that the Christmas Concert is in church on Wednesday December 12th at 7.30pm. Tickets are only £3 and include refreshments. If you haven't had the pleasure of joining us in previous years, do turn the T.V. off for few hours, put something warm on and join us. Lots of popular music interspersed with carols and a reading.

Then on Tuesday 18th we meet at the Village Centre on corner of School Lane, at 6pm to sing carols, followed by hot drinks. Again simply wrap up warmly; a torch may be useful. Carol sheets will be provided.

On behalf of all members of All Saints Church, we (the Churchwardens) wish you all a blessed Christmas and a peaceful and healthy New Year. May Our

Good Lord Bless You All, Always.

CHRISTMAS THOUGHTS - by Patience Strong.

All the world is young on Christmas Day. Our grown-up worries seem to melt away. There is a feeling that we can't explain - for we become like children once again.

The faith of childhood springs in us anew. Our hearts grow lighter, brighter, and warmer too. And life takes on a sweet simplicity. God comes so close - not veiled in mystery - But as a child; a small and helpless thing.

The baby Christ, the little Savior-King This is thought that breaks down human pride the tender thought that comes at Christmas tide.

All Saints Church

"The light shines in the darkness, and the darkness did not overcome it"

These words so familiar to many of us, used at the Christmas services, often in a darkened Church full of flickering candles. A traditional very evocative scene, but what does it really mean to any of us?

What difference do all the fairy lights, the presents, all the celebrations mean to each one of us?

Why when half the world eats too much, drinks too much and gets into debt, which will take a long time to pay off, do others starve and live in desperately poor conditions?

Is this the light which Jesus came into the world to bring, light and wealthy to a privileged few?

Emphatically NO.

Jesus came into this world to bring a pure light, which will shine in all the darkest corners, show up all that is wrong with the world and give us the chance to put it right. We use the symbols of candles a great deal at this time of the year, which is a dark time anyway. Many people in the last few days have said to me how gloomy this time of the year is and how easy it is to get depressed. Stand in a darkened area, especially a Church

and light just one single candle. The light spreads out, but it is not a still light which has to be manipulated by man as a torch or a lamp, but a living moving flame which moves of its own will and spreads light to different places at different times, even if you are only standing still.

The light that Jesus came to being is also a living light, the light, which brings hope to you when everything around you seems to be dark. There is a myth around that as Christians we live in a rosy glow and never have to face darkness and difficulty.

This is simply not the truth. Things do happen and Christians have to face dark times just as much as anyone else. The difference is that we have light in our lives we have the living flame within us, which will never be extinguished, even if we think it might at times. We are never alone, even if we think we are sometimes. God loves us all so much he sent His Son to earth for us, each one of us. He will never abandon us.

We have seen the light which overcomes the darkness and we WILL walk in it.

We look forward to welcoming as many as possible over the Christmas period to our churches. If anyone is in need of a visit or would like their communion brought to them please let the team know as soon as possible.

Every blessing to you all from the team of ministers
