

## THANKS AND HELLO!!

The Iwade Observer would like to extend a thousand thanks to Zoe Wells who for over five years tirelessly worked on production of The Iwade Observer, whilst bringing up a young family – no mean feat indeed! Zoe decided, before Christmas to retire from her DTP (Desk Top Publishing) role at the Observer Team. Zoe's eye for detail and her creativity will be much missed, but much in the way of the monarchy things have to go on seamlessly.

So we would like to extend a huge welcome to Rebecca Stalley-Moores as she steps into Zoe's hard to fill shoes and takes on the DTP role. Indeed Rebecca, who like Zoe also has a young family, has already done this for the last couple of issues and you can't "see the seam" so great work Rebecca.

We've been so lucky over the years to have such loyal volunteers to help in various roles at The Observer, and if you'd like to get involved why not email us at:-

## IWADE READING AND BOOK GROUP

### Christine Freshwater.

The Iwade Reading and Book Group met on Tuesday 8th February to discuss The Midwife Murders by James Patterson and Richard DiLallo.

This is a story of a missing patient and disappearing newborn babies and a midwife who is acting as a detective on top of her day job duties! It was an unbelievable tale with rumours blaming the Russian Mafia and an

underground adoption network. It was neither but it was beyond belief. We all agreed that this was a disappointing read, the title itself was misleading as no midwives were murdered and none committed any murders.

The book chosen for us to discuss in March is A Single Thread by Tracey Chevalier. The next meeting is Tuesday 8th March 2022 at 10.30am at The Barn.

Why not join us – for more info search Iwade Reading and Book Group on Facebook.

# THE IWADE OBSERVER

## IWADE SCHOOL – OWLS AND CHARLES DICKENS!

Year 4 have been learning about all things Charles Dickens this term. Owl Class, wanted to share some of their learning with you.

The children have been learning to write with quills as the Victorians would have. They found it very time consuming!

They also took part in Oliver Twist inspired gruel tasting and not surprisingly, many didn't ask for more.

We also had some budding artists who tried their hand at portrait drawings of Dickens himself. I am sure you would agree this is an

incredible portrait, with excellent proportions and precise pencil marking

They also used their team working skills to make and paint Victorian schools using recycled items from home.

## WEATHER DAMPENS SPEEDWAY'S PLANS

The Club started the new year full of good intentions with an organized plan of track improvements to be completed, the remaining rounds of the Winter Speedway Pitbike Series scheduled to be run and plans for a few early practices in the pipeline. Unfortunately, these plans were dashed by the heavy rain we had in January which left the main track and parts of the site completely waterlogged for several weeks. This led to a practice being postponed and the winter work plans put back as we just could not get on to the track.

Fortunately, the weather has improved of late and a belated start to the planned work has seen new walls and roof being completed on the pits block, some twenty safety fence panels have been renewed and the air fence has been sorted, washed, and sent for repair where needed. It is now a race against the clock to get things done as a speedway sidecar practice has been tentatively planned for 26th February!

Things however, could not have been more different on the Club's minitrack as the 2nd and 3rd rounds of the Speedway Pitbike series were completed by the end of January. These were held in some very cold and muddy conditions which led to a few crashes in which, fortunately, no one was hurt, nor did it dampen the rider's enthusiasm. The final round was due to be run on 6th February, but bad weather caused this to be postponed and is now scheduled to be completed on 20th February.

Last year the Club ran a motorcycle trial event which proved very successful, and a second event is planned for 13th February with over 20 riders taking part.

We are hopeful the weather will improve, and the remaining work can

be completed in time for what looks likely to be a very busy season.

N.B. Our action pictures show some close racing from one of heats and in one of the finals of the Speedway Pitbike Series.

## IWADE MEN'S BREAKFAST CLUB

Ron Francis

The Men's Breakfast Club monthly meeting this month saw a lively group making either Valentine or Anniversary cards. (Think much concentration and sighs of frustration!) Following our breakfast of sausage and bacon rolls we were ready to commence cutting and sticking. The concentration was palpable – see photo. This was great fun and enjoyed by all, being very different from our norm. Thanks to Sylvia and Ann for their capable tutoring.

Next meeting will be on the 1st March at 09:30 when Julian will be bringing along one of his vintage motorcycles for a demonstration and a talk. Should be interesting – No Pressure Julian!

## IWADE PATIENT PARTICIPATION GROUP

The past 2 years has been a very difficult and challenging time for both the Iwade PPG and staff at Iwade Health Centre. Because of Covid, and stringent restrictions the Iwade PPG has been unable to hold the usual face-to-face meeting with the Iwade Health Centre management team. As things are starting to improve we envisage that we shall be able to resume normal activities in the very near future.

The PPG are therefore looking for patients of Iwade Health Centre to join us, and make a stronger more diverse team of people to represent the patient population.

Patients who have computer knowledge and are able to assist in updating Social Media, and the PPG webpage on a regular basis would be welcome. Updating this information is vital to keep patients informed of any changes, or events that may take place. This is a voluntary role with no remuneration, and may involve 2/3 hours per month.

All patients from babies through to the elderly deserve to have the best in healthcare so join us in doing all we can to represent the patients of Iwade Health Centre.

If you are interested please contact: [iwadeppg@outlook.com](mailto:iwadeppg@outlook.com).

Cllr. B. Whiting - Vice-Chair  
Cllr. S. Waters  
Borough Cllr. C. Woodford  
Cllr. S. Cheeseman  
Cllr. S. Lancashire  
Lynda Ives, Clerk  
Cllr. B. Smith  
Cllr. R. Langham  
County Cllr. M. Baldock

## Welcome and Apologies

The Chair formally welcomed everyone to the meeting. Apologies received and accepted from Parish Cllr. Hyde and PCSO Kirsty Linge.

## Declarations of Interest and Dispensations

None.

## Minutes of the Previous Meeting

Proposed by Cllr. Whiting and seconded by Cllr. Langham, the Minutes of the Parish meeting held on the 8 December 2021 were agreed and signed by the Chair as a true transcript.

## Visitors/Public Time

**County and Borough Councillors** – County Cllr. Baldock advised the Government grant received by KCC is not good; money coming in is not sufficient to provide repairs to roads, drains, etc., and it looks like there might be cuts to support for bus services, which is of concern and is something to do with their lack of use. The Swale West Parishes meeting takes place in March, an invite will go out. Cllr. Woodford advised the start date for the Dunlin Walk Appeal Hearing is the 8 February, commencing at 10.00 and will last for about two days.

**Community Warden/PCSO** – **Community Warden** – Report not received.

## **PCSO** – **CRIMES OF NOTE:**

*Bewick Walk*, Group of youths causing a nuisance and smoking cannabis, when approached by residents they

became verbally abusive and left. Once gone the residents noticed their Christmas lights had been damaged. Suspects were identified and crime details were taken. It was later decided that due to insufficient evidence the report was be filed.

*School Mews* – reports that a group of youths have caused damage to a drainpipe by kicking a football at it. A crime report was taken and is currently under investigation.

*Chalkhill Close* – a group of males were playing football. They have kicked the ball at the informant window and broken it. Due to no suspect being identified the report was filed.

*The Street* – Unknown person threw a stone through the rear window of a resident's car. A crime report was taken but due to no suspect being identified the report was filed.

## **ANTI-SOCIAL BEHAVIOUR AND OTHER INCIDENTS OF NOTE:**

*Raspberry Hill Lane* – reports of poaching in the fields. Officers attended but there was no sign of the offenders.

*Bewick Walk* – Reports of 3 youths removing a drain cover and street sign before discarding them in the bushes. Damage to the sign was unconfirmed and the drain cover being removed had happened before the youths had arrived (it had been reported earlier in the day). No further action was taken.

*Purple Emperor Grove* – vehicle pulled up outside an address. A female passenger then exited the vehicle and urinated on the resident's driveway. Resident was spoken with by Police and reassurance was given. It was decided no further action would be taken at the time.

*Ridham Dock* – reports of nuisance vehicles drifting round the roundabout.

*Ringlet Grove* – reports of 6/7 youths playing football. The ball has hit the

informant window. No damaged caused. Youths made off before Police attended.

*Swallow Ave* – a group of youths attended the location and have taken the rubbish from the bins and thrown it around. The youths had left before Police were called. Resident was spoken with and reassurance given. Local officer was made aware.

*Ridham Dock* – Vehicles have been driving dangerously and drifting round the roundabouts.

*School Lane* – 3rd Party report that a group of youths were selling drugs outside the hairdressers. Officers attended but no youths were located.

*Ferry Road* – Youths gathering outside the address, listen to loud music and causing a general nuisance. Officers attended but youths had already left the area.

*Redwing Ave* – Reports of youths gathering and smoking drugs. Youths made off when disturbed by Informant.

*School Mews* – Youths gathering and causing a general nuisance, leaving rubbish and being loud. Youths were not at the location at the time informant reported the incident. Information passed to local officer.

Agreed, as the new Clerk will be appointed to cover both Bobbing and Iwade Parish Councils, due to the
