

# Iwade Village News

April 2006

## Shame on You

Some residents and the Parish Council are trying to improve the look of the village. However there are some residents who are too lazy to arrange for someone to pick up their unwanted items or to take them down the tip.

The Village has been victim of fly tipping, especially in the Orchard behind Woodpecker Drive and at the end of School Lane. Football posts, rabbit hutches, children's toys, flower pots have all been dumped, waiting for someone else to clear them up.

This costs the village time and money, and just like vandalism within the village, we the residents have to pay for this. As a

community we should take pride in our properties and surroundings and it only takes a few small minded people to spoil this.

If you do have any items that you want to get rid of and unable to arrange for this. Contact the Parish Clerk on 01795 437053 or Gerry the Community Warden and

they will see if she is able to arrange for the handyman to remove it.

Fly tipping is illegal and holds a hefty fine. The Parish Council will prosecute anyone who is doing this and residents concerned will be approached.

You may or may not know, the Clean Neighbourhood and Environment Act 2005 allow the Parish Council to issue fixed penalty notices for littering, graffiti and flyposting offences.

Alongside this, the Act has brought into play a new system for controlling dogs - 'dog control orders', which replaces the current bylaw system. By using dog control orders the Parish Council will be able to make a range of

'orders', including the banning of dogs and requiring owners to clean up after their dog has fouled on areas of land within their parish.

The Parish Council is able to issue fixed penalty notices to those who offend against a dog control order or to prosecute them in the magistrates' court.

## Help beat the drought. please don't waste water

Despite the rainfall of last month, we are now in the driest period since 1933. This drought is due to the exceptionally low rainfall over the last two winters.

Southern Water are doing all they can to safeguard supplies throughout the year and have asked the residents of Iwade to support their efforts by

not wasting water

The Environment Agency recently granted them permission to take extra water from the River Medway to top up Bewl Water, their biggest reservoir, which is currently half full when it would normally be at 90% capacity

As a result they have to keep in place the hosepipe ban imposed on us last year to continue to protect water supplies in Kent.

One of the most effective approaches to ensuring

there is sufficient water for everybody is for us all to make simple changes to our lifestyles to help avoid waste.

These include:  
Turning off the tap while cleaning our teeth  
Taking a five minute shower rather than a bath, and Ensuring washing machines and dishwashers are used only with a full load

Let's do our bit to stop standpipes this summer!!!!

## Turnstone Close Boundary Dispute

After months of research, telephone calls, letters, faxing and sleepless nights, the boundary fences are now in the correct place! A lot of hard work went into this thanks to two headstrong, determined ladies!! Thanks also go to Sarah George and the Iwade Parish Council for their support along the way. We are happy with the result and send our best wishes to David Constantine for keeping to his word (with some little encouragement!!)

## Nightmare of Speedway

Residents who live on Raspberry Hill Lane have been living a noisy nightmare. When Sittingbourne Speedway Club is using the site the noise is intolerable and can be heard around the village of Iwade. However these residents are not only living with the noise but in addition the smell is dreadful and the dust caused covers everything making it impossible for these residents to leave doors and windows open in the warm weather. This means that their weekends must be spent indoors even on a beautifully summers day. Even their washing cannot be hung out since it would need rewashing

due to the dust and smell.

Sittingbourne Speedway Club does advise these residents of their yearly calendar and in 2005 they had planned 138 meetings which were to include 24 Sundays. Mrs Cook of Raspberry Hill Lane stated that her husband works everyday except Sunday; this is the only day of the week that we can guarantee spending time together. If the weather allows we prefer to spend that time in the garden.'

The amended Abatement Notice states that the Sittingbourne Speedway Club should give the residents ten days notice before using the track on a Saturday or Sunday. Nowhere does it say that they can change a meeting date, if they have had to make a cancellation. This

## Message from our Community Warden

Hello and a big thank you for everyone I have met so far, for making me feel so welcome. If you do see me, please introduce yourself, it nice to see such friendly faces.

Abandoned scrap vehicles are a problem affecting all of us, and with this in mind, I would like to take this opportunity to introduce a beneficial service that is capable for helping us to take away this problem. If you telephone 01795 439393, this company have invested in an End of Life Vehicle de-pollution facility and are now full licensed Authorised Treatment Facility and are able to offer you free collection for scrap vehicles that are abandoned.

Also it has been reported that certain elderly residents have been approached by a group of men, claiming that they are from

the gas board. I have contacted the Trading Standards Board. Please be alert of this, and unless they are able to show ID, do not let them in. If possible try to remember what they look like and wearing and report them to the Police.

On a nicer note, if you would like me to visit any of your clubs/nurserys/ Playgroups, please let me know and I will be more than happy to do so. I hope you had a nice Easter and let's look forward to the summer.

procedure of cancelling and rescheduling a meeting with only short notice is making it impossible for the residents of Raspberry Hill Lane to plan any event, such as a barbeque, that involves being outdoors.

Mr Cook advised the Parish Council that last year he had arranged a family function carefully avoiding any speedway fixtures. The date of the function was 31st July and on the 11th July he received a letter from the Speedway Club informing them that they had cancelled the meeting that was schedule to be held on the 10th July and would be rescheduling it for 31st July. At this stage it was not possible to change the family function.

Residents of Raspberry Hill Lane are finding it difficult to work around the Speedway Calendar and it makes their lives hard enough without the dates being changed at the last minute. They should, like anyone lese, be able to plan events without the fear that they will be ruined by the noise, dust and smell of speedway.

These residents live on Raspberry Hill Lane, and are not visitors as the Speedway Club are, yet they have to run their lives around them. They cannot enjoy the peace of their own gardens with any freedom, and cannot enjoy what summer we do have; instead they are shut up indoors on a summer's day without even being able to open a window.

## SPONSORED BIKE RIDE - 28th MAY

2006

We are trying to improve our Church facilities which will benefit everyone.

Please help us towards our goal; one of our members will be cycling non-stop from our Church to Canterbury Cathedral and back, a distance of 42 miles.

If you would like to

help by offering a donation please pop the money in an envelope and leave at one of the addresses below.

3 Pintail Drive, Iwade  
16 School Lane

Thank you for your help, if you would like any further information about any of our activities, please contact the above. We will publish the money raised in the following months Village news.

## What a lovely Mothers Day

All Saints Church held a special family service for Mothering Sunday. The Church was full of eager children wanting to make and give something to their mothers, grandmothers and aunts.

The church was filled with daffodil bunches and the children made cards during the service to give to their mums, grandmothers and aunts.

To make the event even more special, it was Rev Webbs wife's, Wyn Webbs

birthday, and everyone sang happy birthday and flowers were presented to her for being a mother as well as the birthday girl. Jeann Stockley was also in the congregation and for a special thank you for all the work she had done for the church she was also presented with flowers.

With the refreshments afterwards it gave a nice start to this special day. This is an ever popular service and should not be missed next year, especially if you are a mother.

Afterwards, you could see people going to the Woolpack Pub for their mothering Sunday meal, again the Woolpack was full of flowers and everyone enjoyed the meal and atmosphere provided by Carl and Jemma.

## Easter Bunny

### Hits Iwade

No you were not seeing things when you saw a 6ft Easter Bunny walking around Woodpecker Drive and Turnstone Close. The residents of the Woodpecker Drive/ Turnstone Close turned out again to celebrate Easter Sunday.

A Bouncy Castle and Merry go Round were provided for the children of the two roads to play on and activity table allowed them to make bird houses, Easter Masks, Decorate Egg Cups to hold the Easter Eggs that the Easter Bunny was going to provide.

The children went on an Easter Egg Hunt around the village orchard, along Woodpecker Drive and into

Turnstone Close, collecting clues and finally making their way back to the Orchard where they were greeted by the Easter Bunny with Eggs.

The very popular and very messy Chocolate Fondue was provided for anyone who was not sick of chocolate, along with hot cross buns for those who could not face anymore chocolate!!!!

# Iwade Cubs Beavers

Well Spring finally feels like it is here and the Beavers and Cubs are all looking forward to some outdoor activities after being cooped up for the winter.

We have had a busy few weeks (as usual) with the Cubs swimming gala being just one of the hi-lights. All of the Cubs that took part did extremely well and we all had a great evening even if we did lose our voices from the cheering!! We didn't come anywhere this year but lots of the children underwent personal challenges and all of them succeeded and of course the events they took part in go towards their staged swimming badges so a big well done to all those that took part and of course a big thank you to all the parents who came along to support.

In Beavers this half term we have concentrated quite a bit on our miming skills which everyone seems to have enjoyed and we are hoping to show off our new skills at the AGM which will be on Monday 8th May the Cubs will also be entertaining their parents with some singing which should be interesting!

Unfortunately the evening that we wanted to go out and explore the village for the Cubs local knowledge badges was just too cold and windy so instead we made our weather instruments which consisted of a rain measurer, a wind sock, a wind speed monitor and a barometer. Four of the cubs have taken them home during

## Good news for the village store

The Government's £3000 million package for support for the rural post office network over the next two years has now been given state aid clearance by the European Commission. The extension of this support to the rural Post Office network depended on the UK persuading Europe that this did not represent unfair state aid. The EC decision

the Easter break and will be reporting back on their return. We look forward to the results with interest.

The commonwealth games evening that we had was a huge success and everyone enjoyed taking part in the various activities which included netball, table tennis and badminton. Hardly any of the children knew what the commonwealth was all about but they enjoyed learning and have since reported back on some of the television coverage they saw so it certainly seems to have captured their interest.

That's about it for now except to say that we will be planning the next few weeks activities during the Easter break so watch out next time to see what the 1st Iwade Cubs and Beavers will be upto!

Finally I would just like to say a big thank you to all our adult leaders, assistant leaders and sectional assistants who all volunteer on a regular basis and have just started a massive training programme that is going to take up even more of their precious time. Scouting is a world wide organisation with over 28 million members around the globe, none of this could happen without the dedication of the adults and young leaders that turn up week after week so please all give yourselves a big pat on the back and then just look at the smiling faces of the children each week and you will know why you keep coming back for more.

Don't forget that if you would like to put your child on our waiting list or feel that you have a special skill that you might like to share with the children then please call Christine Ivory on 01795 599225

confirms that funding can continue to be made available from 1st April 2006 to 31st March 2008. Minister for Competitiveness, Barry Gardiner MP said: 'The Government has made unprecedented investment of more than £2 billion to help maintain the Post Office network since 1997. We welcome its pledge to support the rural Post Office network for a further two years'

## Happy Days

To celebrate St Patrick's day the children made flags, cards, coloured pictures and heard traditional stories about St Patrick. We even had our own Irish visitor!

Mothers Day cards and cakes were made to celebrate this special day, although some of the children were reluctant to part with their cakes.

We also celebrated another birth at Happy Days. Terri gave birth to Brennan a healthy 9lb 3oz baby boy. Both mother and baby are doing well

The children are delighted to see the start of spring and enjoy the garden to its full potential. Although the garden is used all the year around, the cold weather has restricted the use of our spacious outdoor area, which the children enjoy so much.

Preparation for Easter is in full swing. The staff has a long list of activities planned. Children will enjoy making cakes and

cards, blowing and decorating eggs, an Easter Bonnet competition (keeping mums and dads busy) and of course an Easter Egg Hunt. I'm sure you will look forward to a great set of photographs in the next issue.

Happy Days enjoys being part of the local community and our pre-school room would like to invite some of our older Iwade residence to afternoon tea for Easter. If you would like to come and meet the children and enjoy some tea and cakes, please telephone the nursery on 01795 424348.

The anniversary of our 2nd year of opening is approaching fast and we feel this warrants a party for the children to mark the successful two years of Happy Days and the fun we have had during this period.

We will be very sorry to say farewell to the children in our pre-school room, who are going off to school this autumn. We are planning an outing for the children before they leave at the end of the summer. More details to follow.

## Iwade Youth Club

Helping our teenagers back to work: A Kent County Council initiative to support unemployed teenagers through a two week training course with financial support: The Opportunities Plus is being highlighted. The scheme is provided by Key Training Services a division of KCC. The course is aimed at 16 - 17 years old who are no longer in education and the courses run from 9.30am to 3.30pm. If you would like to discuss the possibility of joining the Opportunities Plus then please contact Tracy the Liaison Advisor on 07795 343478. You can also contact Key Training Services in Maidstone on 01622 206517.

Our Easter disco and Karaoke was a great night. We have a

few talented singers amongst our youths, (can't say much about the youth leaders), but that's another story.

We have a few trips and events coming up, and are holding a Easter raffle to help raise money towards our funds. The winners will be announced in the next newsletter.

Our first trip is in May. We will be going to the dry ski slope in Chatham. The trip is free, so come along and put your name down. Other trips and events coming up are a pamper evening, pool competition; ice skating, Chessington or Alton Towers.

It is nice to see more new faces coming through our doors.

If you are aged between 11-16 years old, come along and see what you are missing

## Parent and Toddler Group

2nd May Decorating Bird Houses  
9th May Cake Making  
16th May Making Mugs  
23rd May Picture Frames  
30th May Half Term

The Easter party was a great success with the children wearing their Easter Bonnets and parading around the village hall. The Easter Egg Hunt was very chaotic with the children running around the hall and garden looking for clues, however everyone worked out the clues which spelt "Easter Eggs" and to everyone's delight eggs were received at the end of the party as goody bags.

6th June Design a spiral hat  
13th June Biff Bats  
20th June Fathers Day Gift - Money Boxes  
27th June Kaleidoscope

4th July Butterfly Gliders  
18th July End of Term party  
25th July Outing to Rare Breeds Centre

Mother and Toddler will break up over Easter and will not start again until 18th April. Remember everyone is welcome to come along on a Tuesday morning between 9am to 11am.

Everyone at Mother and Toddler hope you had a lovely Easter.

Here are the activities we are hoping to cover over the next term:

## Iwade Herons

A Fantastic season for all the Iwade Herons

Well what a finish for most of the teams this season, with two teams left to play games this weekend to finish their divisions in the invicta league we have some great finishing positions.

The under 8's have produced some fantastic results all season and their final game last weekend was a crunch one in which they needed to win both games to finish top of their division but if the results did not go their way they would still finish runners up. The game against Swale Magpies kicked off and all spectators were watching with baited breath willing the boys on. The Iwade boys battled hard but were unable to break the magpie's defense and visa versa there was some good all round football played and the result of

the first game was 0-0. This result meant the boys had runners up position and what a finish. The managers and parents could not have asked more of those boys in their first season of football and there were some very proud people clapping the boys at the end so WELL DONE YOU UNDER 8'S what a team. Here's to next season in under 9's.

The under 9's also had a tense game in their final one. This was against the league leader's staplehurst monks and again Iwade needed to win and draw each game to get the points for winners but if points didn't go their way they would still be runners up. They too had a really good game but both sides were evenly matched and the score for each game was a draw so this meant runners up for Iwade but who could have asked for more than that from a great bunch of boys playing together in their first season. Again the manager and parents were very proud of all of them. WELL DONE UNDER 9'S excellent finish.

The under 10's play their final game this Sunday to determine there league position so look out on the web site for the result. The under 10's have a mixed feeling game this week as two of the players who have been with the team for 3 seasons will be playing their last game with their team mates as next season they can not play 11 a side as they are too young. There will no doubt be a few sad faces as these boys have played some excellent football over the years but in a couple of year's time I'm sure they will once again be back playing together. Good luck.

The under 11's have a nail biting match on Sunday in which they need to win to come runners up in their division as other results in the division have gone Iwades way for them to be in with a shout of 2nd place so we wish them all the luck for Sunday. Look Out on the web site to see how they have done. GOOD LUCK BOYS we are all roofing for you.

The under 12's still have quite a few league games left and a cup semi final to play so they have some hard work to do until May. Keep it up boy

The under 7's have now split and the future under 8's are busy training away and have some friendly matches to play in the near future. The 7's training school currently has a few spaces for 5-7 year olds. If any one is interested in their child joining a successful club please call 01795 439711.

We at Iwade football club from the managers and committee members and the parents and supporters would like to say a very big WELL DONE AND THANK YOU to all of our young players from under 7's to under 12's for helping us have yet another successful year. Each year we get better and better. We would also like to thank the parish council and all the villagers for all their support to the club as well.

# Messages from Iwade Parish Council

## Village Centre Update

The presentation from Mick Drury, of Wards Homes was cancelled due to prior engagements by Mr Drury. However Mr Drury did advise the Parish Clerk that ONE STOP had agreed to go into the village centre and the Chemist has purchased two units on this information. The other retail outlets will consist of Hair and Beauty, Florist and Chinese Takeaway, as well as the nursery.

## Seaside Community Recycling within Iwade

The Organisers of the Iwade Recycling are please with the uptake of the village. At the present moment 48% of the village are using the recycling facility. Since Iwade came into this project 100 tonnes of landfill has been saved.

However the scheme is funded by the EU and if funded is agreed for this year, the scheme organisers are hoping to include plastic into the recycling, the only place at the present moment that take plastic for recycling is based in the North of England.

New developments within the village will be included in this recycling scheme and at the present moment this recycling programmes is being run at no cost to the village.

Iwade Parish Council wishes to encourage more residents in Iwade to use this recycling facility and help save the area and environment.

Kent Medway Structure Plan, January 2006

Iwade Parish Council object to the increase provision of Housing for Swale from 8,300 to 9,100 dwellings.

Reasons:

1. PPG Note 3 Paragraph 23: National target is that by 2008, 60% of additional housing should be provided on previously - developed land and through conversions of existing buildings....
2. The emerging Swale Borough Local Plan Para 4.78 states that the current requirement for new building will

only meet the requirement of the K&MSP housing target of 30% previously developed land. This includes housing sites which fall within the flood risk area. The Iwade Parish Council objects to further allocation of Greenfield land which is not already included in the structure plan and the emerging SBLP

3. A further major concern is the shortage of fresh water which is continuously brought to our attention by the water companies. The Iwade Parish Council does not believe that this is a temporary situation and that global warming and its effect on our climate is being ignored by Government and all levels by the Planning Authorities. The older par of Iwade Village and some of the newer houses suffer poor water pressure at peak hours.

Iwade Parish Council objects to any increased housing provision for Swale as proposed by FPMOD 7.1

# All Saints Church

Dear Friends

Who listens to archbishops, anyway? By the time you read this, one thing our archbishop said will have slipped off the media radar screen, although it did register with the press at the time. Did anyone really listen? Will anyone really do anything about it?

He said that global warming is a fact and will result in great damage and loss of life. He warned us that God would hold us to account for failing to avoid the disaster we knew was coming. He was like the Old Testament prophets. Their people didn't believe them, got fed up listening to them, and tried to shut them up. The prophet Jeremiah (who lived

around 600 BC) warned the people that God would bring their kingdom to an end if they didn't shape up. Forty years passed, and nobody believed him - but then their world collapsed when the Babylonians (today's Iraq) overran them.

So what do we do? Everybody's got to do something. Nobody is exempt - governments, politicians, business, families and individuals - we all have to change to avoid disaster. It may come soon - it may be a little later, if we're lucky, but scientists overwhelmingly agree that it will happen. What do we ourselves do? Well, now I can put my head on the block. Jenny has been urging me for years to get a bicycle - and use it! Who knows, I might even lose some weight!

Best wishes

Ron Partridge, curate

## Message from Your Churchwardens

By the time you are reading this, Easter will be a memory. I hope you were able to join us for at least one of the many services held over the weeks and it was a friendly warm experience.

It has been lovely recently meeting so many of the village's newer residents, as you are being in the children for Baptism. This is a very special service in which the Parents and God Parents make promises on the child's behalf, and will hopefully ensure they are fulfilled in the years ahead.

We must apologise for the abysmal condition of the Church Notice Board. It has been planned to have it repainted with correct details by Christmas, then discussion took place on possible new times for services, and now there is discussion on the future linkage of Iwade with other Churches. Not able to ask Mr Mills to take down and repaint until all is settled. Sorry.

For now, the services from May 7th are 11am each Sunday EXCEPT for the 4th Sunday Family Service which will continue to be at 10.30am. Please come along and join us for this child friendly service.

Plans are well in hand for the Summer Fair on June 3rd in the Village Hall. As mentioned last month, if you wish to rent a table to display your talents or a club please contact Sylvia on 01795 478103. Cost is £5.

Tickets will be available by June for the Annual Concert held in the grounds of Iwade Church on July 8th at 7pm by the UK Paper Concert Band. Tickets are only £3 (£2.50 concessions) and you are asked to bring your own seating. Always a most enjoyable evening and tickets include interval refreshments. Look forward to seeing you there.

A thought for our 'older' readers

To my dentures I'm accustomed, To my deafness I'm resigned, I can manage by bi-focals, But how I miss my mind!!!! (John Hodges)

## Services and Events at Iwade Church

April 26th	Annual Parochial Church Meeting	7.30 for 8pm
April 26th	Visit of Good News Van in Church	10.30 to 12pm
April 30th	Morning Prayer	10.30am
May 7th	Communion Service	11.00am
May 14th	Family Communion	11.00am
May 21st	Communion Service	11.00am
May 24th	Visit of Good News Van in Church	10.30am
May 28th	Family Service	10.30am
June 3rd	Summer Fair in the Village Hall	2pm to 4pm
June 4th	Communion Service	11.00am

Please note that EVERY WEDNESDAY MORNING at 10am Morning Prayer is said in Church, and EVERY THURSDAY at 5.30pm Evening Prayer is said. Do consider coming to one or both of these short services
