1. Visitors – A resident complained about parking in the village, it is getting worse. The Vice-Chair advised that Cllr. Hunt will be walking around Iwade with an Environment Warden pointing out all the areas that are of concern so that these can be investigated. If residents can take photographs of offenders and forward to the Parish Council it will help. Parking is also making it difficult to get out of some roads. Cllr. M. Gale advised that there will be six monthly reviews of the school highway issues and he would like to see everyone getting involved, including residents.

Mick Drury addressed the Council; he represents the owner of Iwade Race Track and 30 acres of land in the Marsh Bank Old Ferry Road area. The application is for 3 low cost affordable housing and the intention is to tidy up the frontage, sort out the drainage and road way. The long term intention is to make some lakes for fishing and to gradually reduce the amount of general clutter that is there. These units will be offered first to residents in the Bobbing, Iwade and Lower Halstow Ward.

A resident raised concerns relating to the overturned car in a ditch next to the gateway entrance to the Village, Ferry Road. He was worried the oil and diesel was leaking into the waterways. Clerk to ask the Environment Agency to investigate. **Action: Clerk**
